

St. Patrick's

Catholic Church

Aug 01, 2026

Greetings from Sts. Columbanus and Patricks church!

According to our records your child is going to enter the Pre-K or K class this coming school year.

We here would love to formally invite you to enroll your child to our program for the upcoming 25/26 year. If you have any questions in regards to our program, feel free to contact me! For our Pre-K/K program we use the Pflaum Gospel Weeklies for our main program. The children also watch Faith based programs and do fun games and activities.

Every month we have our Family Faith Formation Sunday. All families gather in the hall for a small presentation that one of our grades put on then enjoy a meal together. We also have a few other fun activities through the year, such as our trunk or Treat, fall Festival and Advent Program.

We hope you prayerfully consider enrolling your child and as always, if you have any suggestions, thoughts, questions or concerns, always let me know!

Sincerely,

Shannon Nye
