- Video project: Several contacted, Need Title ideas for the video series, suggested for young people to help with production, send out by June 20-30
- VBS committees: June 28-July 2, looking for volunteers, activity ideas, register online or after mass
- Franciscan At home Formation: free until December, several training tracks offered, online so work at own pace, sent out to families, reminder coming
- Recruiting catechists and helpers for the fall: looking for suggestions on people to contact. One not returning at this time.

Agenda items:

- Livestreaming: didn't work last week, RaeShelle getting help
- Reaching out to parishioners: successful in gathering new email contacts.
- Kneelers: Rhea, Shannon, and Mark checked and found them to be in good shape so nothing needs to be done at this time
- Touchless holy water font: tabled until later time. Right now, the diocese says parishes may start opening up. We are transitioning gradually. Masks/distancing still mandated by diocese. Holy water may be out in the next few weeks.
- Extra: Alter servers training after mass on Pentecost Sunday. Email sent out. Record who attends, possible reschedule for those who cannot.
