

CORE VALUE

We wish to confirm once more that the task of evangelizing all people constitutes the essential mission of the Church. --Saint Paul VI Evangelization in the Modern World

VISION

We are committed to the spiritual education and growth for all in the Catholic faith.

MISSION

The purpose of Religious Education formation in our parishes is to build a solid understanding of the beliefs of the Roman Catholic faith through instruction, experience, and service.

The goal of the formation for children is to support and enhance the primary efforts of parents and guardians in their child's Faith Formation. The goal for adult formation is to invite and encourage all adults to grow and live their Catholic Faith. The goal for all ages is to inspire lifelong Catholic disciples who are rooted in word, Sacraments, community, and service.

Our program is based on a holistic approach of instruction, experience, and service because we believe these are the basis for the development of a mature faith in the Catholic tradition so as to follow the ways of Jesus Christ as told through Catholic teachings.
